LAST WEEK'S COLD CAUSED FRUIT DAMAGE

The sub-zero cold of last week is believed by some Adams County fruitgrowers to have caused at least "light damage" to the peach, sour cherry and sweet cherry prospects for this year.

The opinion seemed to be general that if the mercury had dropped a few more degrees the loss would have been heavy.

Although definite appraisal of the damage cannot be made immediately, some growers said their sweet cherries had been "wiped out" and that there has been considerable damage to sour cherries and peaches in "cold spots" in the county.

APPLES NOT HURT

It was generally believed that apples were not harmed by the cold that sank to a low of 10 below zero at Arendtsville laboratory weather station last Friday morning. The low here was seven below zero, making it the coldest day here in nine years.

SELECT JURY FOR INQUEST INTO 3 DEATHS

Franklin County Coroner J. D. Goshen Tuesday night drew a jury for a joint inquest to be held by Adams and Franklin Counties into the fatal accident on the Sunshine trail which claimed the lives of three women Tuesday morning.

Dr. C. G. Crist, Adams County coroner, will join the Franklin County official in the inquest which will be held in the Grove Funeral Home, Waynesboro "possibly within a month or six weeks."

Delay of the inquest is to await recovery of Mrs. Alice S. Gilland, 48, Waynesboro R. 4, and Mrs. Norman Kint, 34, Pennersville, both of whom were badly injured in the crash which claimed the lives of three of their companions in a car headed for the Orrtanna plant of the Knouse Foods Cooperative.

Three Died Tuesday

Both of the women were reported in satisfactory condition at the Waynesboro hospital today. However the nature of their injuries, a dislocated right hip and fractures of the right leg and pelvis for Mrs. Gilland and fractures of the left arm and cuts and contusions for Mrs. Kint, indicates both will have to undergo extensive hospitalization.

Of the three women fatally injured Mrs. John Ott, 72, Pen Mar, was killed instantly when the crash of the car and a Brinkerhoff truck occurred in Adams County near Fountaindale. Two others, Mrs. Randolph Debrick Sr., 49, of Pen Mar, and Mrs. Robert Watson, 28, Blue Ridge Summit, died later in Waynesboro hospital.

The jury selected, all from Waynesboro, included William B. Curry, Clarence O. Robinson, Alton Potts, H. C. Funk, William J. Cauffman and Kenneth Pryor.

5 TO SHARE ESTATE

Five children of Harry A. Naylor, Menallen Twp., have been named heirs to the estate of their father, who died at his home, January 10. The estate is valued at \$953.38. Mrs. Warren, Aspers, has applied for testamentary letters as executrix of the estate, which will be divided equally among these children: Guy H. Glenn and Moses Arthur Naylor, Maud Routson and Ara Warren. The will was dated January, 1955.

Nike Hercules With Range Of 50 Miles Will Guard Coasts

By P. D. ELDERD

FORT BAKER, Calif. — The Army will soon have in operation a Nike guided missile capable of knocking down a hostile plane 50 miles off the coast.

The Nike Ajax, a 25-mile-range missile supplied anti-aircraft batteries guarding vital American cities, is being replaced by the bigger, more lethal Nike Hercules, with approximately twice the range.

Collects, Computes, Directs

Known as the missile master system, this brain collects target information by radar, feeds it through an intricate computer and, electronically locking onto the missile, directs it to the intruding plane.

A direct hit is not necessary to destroy a plane, Nike experts say, because of the terrific blast and fragmentation.

A Family Of Weapons

The missile master system now is in production by the Glenn L. Martin Co.

Nike defenses today guard many of the key centers.

In a broad sweep north from Washington through New England, across the industrial Midwest to the industrial complex around Hanford, Wash., the Nike defenses reach out to Seattle and down the Pacific Coast as far as Los Angeles. The Army plans to similarly protect San Diego soon.

New York, Boston, Pittsburgh, Buffalo-Niagara, Chicago-Gary, Detroit, Cleveland, Milwaukee, Seattle, San Francisco and Los Angeles are among the cities where Ajax will be replaced by Hercules.

Nike named after the Greek winged goddess of victory, actually is a family of weapons. The Army is developing other missiles, such as Zeus, with probably greater range.

Thank You

The personnel and director of the Gettysburg High School Band wish to express their sincere appreciation to the many individuals and organizations whose combined efforts, financially and otherwise, made it possible for that group to participate in the 43rd Inaugural Parade on Monday in Washington, D. C. It was an honor which is seldom bestowed upon a small band.

Special thanks should be extended to the individuals who made the Inaugural Committee contacts, to the Gettysburg Times for setting up and conducting the fund-raising drive, to the Washington, D. C., alumni for the Monday luncheon, and to the clubs, businesses and individuals who contributed so generously.

CITES ADVANCES MADE BY WOMEN IN MANY FIELDS

Dr. M. Esther Bloss, professor of sociology at Gettysburg College, traced the emancipation of women from ancient civilization up to the present day in a talk entitled "Women Who Work" Tuesday evening at the monthly dinner meeting of the Soroptimist Club at the Lamp Post Corner, Carlisle St.

The speaker cited several causes for the advancement which started with the feminist movement and the industrial revolution and continued with an increase in opportunities for education. "The two World Wars also provided openings for increased opportunities for women to prove their abilities, such as professions in medicine, law, dentistry, engineering, teaching and the ministry," she said.

"Increases are notable," said Dr. Bloss, "in semi-professional occupations such as journalism, nursing, library and the like. Even with the capable accomplishments of these jobs, especially in relation to wages and hours, women are not as free as men in their various jobs."

"Women's gain can come only through overall legislation applicable to both men and women instead of separate laws for each sex."

Mrs. George F. Eberhart, a member of the civic and welfare committee, which arranged the dinner, served as toastmaster. Miss Dorothy Foth, chairman of the committee, was in charge of arrangements. Eddie Adams, a sophomore at Gettysburg College, entertained with accordion and vocal selections.

Spring flowers, which decorated the tables, were presented to Mrs. Elsie Singmaster Lewars, an honorary member, who is a patient at the Snyder Convalescent Home, Gettysburg R. 3. Corsages were given to Dr. Bloss, Mrs. Eberhart and Mrs. George W. Boehner, club president. Mrs. S. A. Burton gave the invocation. Miss Myrie Stauffer was a guest. There were 26 persons in attendance.

Woman Is Injured In Accident Today

Mrs. Louise Kroh, 42, wife of Kenneth Kroh, Littlestown R. 2, was admitted to the Warner Hospital this afternoon suffering from a sprained back, concussion, a possible fractured skull, lacerations of the left elbow, abrasions and contusions of the knees and possible other injuries that may be determined by X-ray examination.

Mrs. Kroh was brought to the hospital in the Littlestown ambulance about 12:45 o'clock following an automobile accident near Littlestown in which she was reported to have been thrown from her car.

Further details were unobtainable at press time.

Trooper's Auto Hits Pedestrian

Luther F. Hildebrand, 61, York suffered a compound fracture of the right leg when he was struck in front of his home by a car driven by state police Sgt. George S. Harleman Tuesday night about 6:15 o'clock, state police reported.

Hildebrand, who also suffered bruises, was in satisfactory condition at West Side Osteopathic hospital.

Harleman, 47, who was formerly stationed here, is commander of the York substation and was driving a police car at the time, police said.

Plan Benefit For Adams Polio Fund

A public card party for the benefit of the polio fund will be held Thursday evening at 8 o'clock in the York Springs fire hall by the Mademoiselle Club of York Springs. The polio fund benefit there by that club has been an annual affair for a number of years.

Prizes for the party are being donated by business places of the community.

DRIVER JAILED

Ronald B. Windomaker, Gardner R. 2, was sentenced to 15 days in the Cumberland County Jail Tuesday at Carlisle. He was also fined \$50 and costs after entering a plea of guilty on a charge while driving while under the influence of intoxicating beverages.

Public Sale: Saturday, January 26th, 12:30 p.m., in the residence of Otilia K. Baum, 789 Baltimore Street, next to National Cemetery. Offering valuable personal property.

SEEK HOSTS FOR 100 MUSICIANS FOR TWO NIGHTS

Robert G. Zeigler, director of the Gettysburg High School band, and members of the Band Boosters club set out today to find overnight lodging for some 100 student musicians who will come here February 7, 8 and 9 for the annual Southern District Band festival to be held at the local high school.

The festival will bring about 200 high school band members from 85 high schools in nine counties to Gettysburg for three days of rehearsals and at least two concerts. Overnight accommodations already have been secured for more than 75 of the boys and girls.

In his letter to high school parents, faculty members and to community residents in general, Mr. Zeigler said: "To take care of that many people for that length of time requires the interest and cooperation of many people who are willing to help. At festivals of this type, the bandmembers spend two nights (three if the weather is bad) at the home of their hosts. They receive all meals excepting breakfasts at the school cafeteria. They may need transportation to and from the school morning and evening if the hosts live out of town."

Enrollment Form Printed

Mr. Zeigler said today the Rev. Robert Knechtel, a member of the Band Boosters, has been appointed transportation chairman and will arrange to have cars available to transport guests whose hosts are not able to perform that service to out-of-town homes.

A host enrollment form appears in today's edition of The Gettysburg Times on Page 3. It should be completed and mailed to Mr. Zeigler at the high school or P. O. Box 25, Gettysburg, by next Monday. James Feather is chairman of the Housing committee for the festival.

The band will present concerts on Friday and Saturday evenings with the possibility of a student concert on Friday afternoon. The band will perform under the baton of Powell Middleton of the music department of the West Chester State Teachers College.

The visiting student musicians will register Thursday morning, February 7, and then will be taken to their hosts' homes. Transportation will be provided at the school for that trip.

To Give Concerts

Rehearsals will begin Thursday afternoon and after a dinner at the cafeteria at school will continue that evening. The students to out of town homes will need transportation home at 10:15 p.m.

After breakfast in the hosts' homes Friday morning, they will report for rehearsal at the school at 9:30 a.m. Afternoon rehearsal and the student concert are scheduled with the first major concert in the school auditorium at 7:30 p.m.

Hosts will be given two free tickets to the Friday evening concert. A dance for the musicians will follow in the school gym. They are scheduled to return to their hosts' homes at 11:30 p.m.

A Saturday morning rehearsal is scheduled with a battlefield bus tour in the afternoon before a 5 o'clock banquet at the high school and the final concert at 8 p.m.

Weather permitting, the musicians will return home after the concert.

Benefit Card Party

The Lions Club of Fairfield will hold a benefit card party Friday evening at 8 p.m. in the Fairfield High School cafeteria, Charles L. Lott, chairman of the charity fund, announced today. The public is invited.

Nude, Frozen Bodies Of Two Missing Sisters Are Discovered

By BERNARD GAVZER

CHICAGO — Discovery of the nude, frozen bodies of the missing Grimes sisters set police on a full-scale search today with the hope a solution may also be found to the unsolved slayings of three boys.

Authorities quickly noted similarities in the slayings of the girls — Barbara Grimes, 15, and Patricia, 13 — and the three school-boys whose bodies were found 15 months ago, nude and strangled in a wooded area.

Police picked up two men for questioning. Both denied any knowledge of the slayings.

Gone Since December 28

One man was released. The second, identified by police as Walter Krantz, 51, a laborer, was held for further interrogation. Police said he had been questioned last week about the girls' disappearance and released.

The girls' bodies were found along a little-traveled country road southwest of Chicago. They had left home the night of Dec. 28 to see an Elvis Presley movie.

There had been numerous reports they were seen in the city or en route to Nashville to meet Presley. Police had been inclined to conclude the girls were runaways.

"I Told Them So"

Their mother Mrs. Loretta Grimes, 48, insisted throughout that the girls met with foul play.

Her divorced husband Joseph, also 48, a truck driver, reflected frustration and bitterness when he came to the country road and looked at the bodies.

"That's Barbara," he said. Then his body seemed to go slack and he wept bitterly.

Helped by two policemen who walked him from the roadside, he cried: "I told them (police) the girls wouldn't run away. Why in the hell wouldn't they listen?"

There Two Weeks

Sheriff Joseph Lohman said the bodies may have been placed along the German Church Road, near Willow Springs, as long as two weeks ago. A heavy snow Jan. 9-10 apparently hid them.

A rain and thaw Monday removed the snow. The bodies, lying

"Queen Of Sciences" Is Torch Club Topic

Dr. M. Scott Moorhead of the mathematics department at Gettysburg College presented a paper on mathematics at the January meeting of the Gettysburg-Adams County Torch Club Tuesday evening in the social room of the Trinity Reformed Church. His topic was "The Queen of the Sciences."

A discussion of the topic followed presentation of the paper.

12 COUNTIANS WIN RIBBONS IN FARM CONTESTS

Twelve countians were announced as ribbon winners in state-wide corn and grasslands contests Tuesday at the annual Crops and Soils Day held by the Adams County Agricultural Extension Association at the Courthouse.

A similar Dairy Day program will be held Friday by the extension association at the Adams Electric Cooperative building, rear of N. Stratton St., starting at 10 a.m.

H. Russell Grove, Gardners, was announced as a blue ribbon winner in the Pennsylvania Grasslands Club at Tuesday's all-day session. His pasture brought him a score of between 90 and 100 per cent throughout the entire summer, according to the report presented by County Agent Frank S. Zettie at the meeting Tuesday. For the State Grasslands Club the county farms participating were checked at various times during the year by a committee comprising J. Allen Spangler, Joseph McWreath and County Agent Zettie.

More Ribbon Winners

Red ribbon awards were won by three farmers who scored between 80 and 90 per cent with their grasslands program. They were Mrs. Rose Murren, Hanover R. 4; Howard Waybright, Gettysburg R. 3, and Charles Kling, New Oxford R. D. A white ribbon for scoring between 70 and 80 per cent will go to Emory Gitt, Littlestown R. D.

Eight countians will receive ribbons from the Pennsylvania Corn Club as a result of their production during the last year, Zettie reported. Red ribbon awards will go to Clay Snyder, Gardners R. 1, whose Pioneer 332 A planted 15,100 plants to the acre yielded 133.4 bushels of shelled corn per acre (Continued On Page 4)

Earmark \$46,816 For Aid On Roads

The Adams County commissioners this morning set aside \$46,816.78 from the liquid fuel fund to be divided among the townships and boroughs of the county as "county aid" for street and road work during 1957.

The amount is approximately the same as the amount allocated last year and the division of the fund will again be based on population and mileage. While the complete table of amounts available for each district was not as yet worked out it is expected that the allocations "will be just about what they were last year" for most districts, with possibly some slight changes for a few where some major changes in population or mileage may have occurred, or in one instance where one district, Bendersville, arranged to "save" its allocation in one year in order to obtain a double amount the next.

Straban Road Tax Rate Is Unchanged

At a reorganization meeting of the Board of Supervisors of Straban Twp. held at the home of Emory Sibert, New Oxford R. 2, Ellis H. Rentzel, Gettysburg R. 4, was re-elected chairman of the board. Emory E. Sibert and Richard E. Miller, R. 4, are the other members.

Grace Kelly Gives Birth To Daughter At 9:27 a.m. Today

By GEORGE MCARTHUR

MONTE CARLO — Grace Kelly gave birth today to a daughter.

A booming 21-gun salute announced the arrival of Princess Caroline Louise Marguerite, first child of reigning Prince Rainier III and the Hollywood movie star he married last April.

The tiny port of the 367-acre Riviera principality echoed with the booming cannon shots and piercing yacht sirens, including blissing magnate Aristotle Onassis and British motor magnate Sir Bernard Dicker.

It was a gray, misty morning. Crowds of Monacoans and tourists gathered in the cafes and tensely counted the cannon shots. A boy child would have gotten 101 shots.

The baby was delivered by Paris gynecologist Emile Hervet and a Monacoan colleague, Charles Bernasconi.

"Oh, shucks, I wanted a boy," John B. Kelly, father of Princess Grace said in Philadelphia when told the news. "That's six girls now."

C. C. LAMBERSON IS NAMED HEAD OF POULTRYMEN

Carson C. Lamberson, New Oxford R. 1, near Abbottstown, was elected president of the Adams County Federation of Poultrymen at a meeting Tuesday evening at which the group went on record to seek government intervention to help solve the overproduction problem.

W. E. Jordan, Gettysburg R. 4, presided as retiring president; Floyd Kuhn, Cashtown was named vice president; Donald Heckenluber, Biglerville R. 1, secretary-treasurer. Named as an advisory committee were M. LeRoy Zeigler, Gettysburg R. 3; Melvin Sharrah Jr., New Oxford R. 2 and Robert Olmstead, Biglerville.

"Sagging poultry prices and how to stop them" brought a discussion that took up much of the meeting. Many members said "vertical integration and feed company financing is ruining the poultry business."

The resolution adopted by the poultrymen is similar to one endorsed by the Northeastern States Poultry Producers Council which calls for "some degree of federal control of production but administered by a council of poultrymen."

The county association directed that copies of its resolution be sent the Pennsylvania Poultry Federation and NEPPCO.

Seek Price Support

"Our object is to get price support for the industry by holding down the supply through federal controls," several of the members of the county group said.

The discussion indicated that millions of additional chickens are produced, despite dropping profits, as feed companies expand their financing of poultry in the middle west, particularly in Kansas, according to Tuesday's discussion. A number present at the meeting held that "vertical integration" in which feed company, grower, dressing plant and retailer join together is also harming prices.

Unionization of growers is increasing, according to reports at the meeting as a result of the unstable situation in poultry. And several expressed fear that there could be "trouble" if unionization advances to any large extent.

Conduct Services For Mrs. Jacobs

Funeral services for Mrs. Elbertie E. Jacobs, 84, widow of William F. Jacobs, who died at her home in Highland Twp., Gettysburg R. 3, were held Tuesday afternoon at 2 o'clock from the Bender Funeral Home with the Rev. Paul L. Reaser, St. James Lutheran pastor, officiating. Interment was made in Evergreen Cemetery.

The pallbearers were Maurice Trostle, Harry Cluck, Roy Carbaugh, Allen Trostle, Tom Currens and Walker Woods.

Feuser Funeral Home, New Oxford. The Rev. Howard Danner officiated.

Interment was in the Mummert Meeting House Cemetery.

The pallbearers were: James Gross, Bernard Anthony, Wilmer Rodgers, Leroy Rodgers, Mark Baker and George Zortman.

Changes Dates For Two Polio Clinics

Polio clinics at the Warner Hospital in February will be held on Thursdays, February 7 and 21. It was announced Tuesday evening at the clinic held at the hospital. Normally the clinic is held on Tuesday evenings.

A total of 383 shots were given by physicians at the clinic Tuesday to youngsters between the ages of one month and 20 years. 183 received first inoculations, 66 second shots and 134 third shots.

Dr. C. G. Crist, county medical director, urged parents to have their children attend the clinic for free shots "as soon as possible" and urged adults to obtain the inoculations from their family physicians "because polio has now become a disease of adults more than of children. During last year, of six persons who suffered from the disease in the county, five were adults."

HOSPITAL REPORT

Admissions: Mrs. Calvin Mahan, R. 3; Donald Collins, Littlestown R. 2; Edward Breighner, Littlestown R. 2; Mrs. Charles Trout, Taneytown R. 2; Mrs. Nathan Johnston, Biglerville R. 1; Mrs. Vernon Powell, Taneytown R. 2.

Discharges: William Welker Biglerville; Emma Ruth Bagot, 434 S. Washington St.; Mrs. Maude Kolda, Fairfield; Gloria Hardy, New Oxford; Richard Pitrolo, New York; Rosalie Stouter, Orrtanna.

EARLY MORNING GAS LINE BLAST CAUSES FUROR

With a roar that sent a pillar of flames high in the sky, the Texas Eastern Gas Transmission "Little Inch" gas line burst at 3:30 o'clock this morning 2 1/2 miles north of East Berlin sending residents of the area tumbling out of bed and binging eight fire departments and three ambulances into the area.

East Berlin firemen, first on the scene, poured water on the barn of Frank Lamparter, and on a shed on the farm, the structures most periled by the blaze.

Trees in a woodlot near the spot where the gas ripped through the metal pipeline and swirled into the air caught fire and some continued to burn at 7:30 o'clock this morning. Firemen, unable to negotiate terrain turned into a swampy quagmire by rain, could only watch the blazing woodlot and prevent spread of the fire.

200-Foot Torch

Lamparter's home and the home of Mrs. Elson Moul, a quarter mile in each direction from the blaze, were not immediately endangered but firemen stood by at each home as the flames shot, according to the estimate of some at the scene, "200 feet into the air."

East Berlin firemen said they needed no lights to dress when the alarm was sounded there. Nor did they need lights to drive to the scene. About 2 1/2 miles away, East Berlin "was as light as day," according to firemen, from the huge pillar of fire.

Franklin town firemen were the second on the scene followed by fire departments from Hampton, Dillsburg, Dover, Weigeltown, Shiloh and even West York.

Supply Cut Off

Texas Eastern officials shut valves at Marietta and Chambersburg, but the blaze continued to gush from the 20-foot long slit in the huge pipe for some time after the gas had been cut off.

With the fire seen as far away as York, great numbers of spectators came to the scene and many mired in the clay berm of the (Continued On Page 4)

Grace Kelly Gives Birth To Daughter At 9:27 a.m. Today

By GEORGE MCARTHUR

MONTE CARLO — Grace Kelly gave birth today to a daughter.

A booming 21-gun salute announced the arrival of Princess Caroline Louise Marguerite, first child of reigning Prince Rainier III and the Hollywood movie star he married last April.

The tiny port of the 367-acre Riviera principality echoed with the booming cannon shots and piercing yacht sirens, including blissing magnate Aristotle Onassis and British motor magnate Sir Bernard Dicker.

It was a gray, misty morning. Crowds of Monacoans and tourists gathered in the cafes and tensely counted the cannon shots. A boy child would have gotten 101 shots.

The baby was delivered by Paris gynecologist Emile Hervet and a Monacoan colleague, Charles Bernasconi.

"Oh, shucks, I wanted a boy," John B. Kelly, father of Princess Grace said in Philadelphia when told the news. "That's six girls now."

Kelly had five granddaughters before the latest addition.

"Is the princess all right?" he asked. Told there was no immediate news on that, he said: "Well, I guess I'll be hearing from Margaret soon."

Mrs. Margaret Kelly, Grace's mother, is in Monte Carlo.

The baby was born at 9:27 a.m. The cannon boomed forth the news about an hour and a half later.

Monacans Are Jubilant

Monacans were jubilant that their throne has an heir. If Rainier, 33, had died childless, Monaco would have become a French protectorate under a 1918 treaty. That would have made the 4,000 citizens of the principality subject to France's heavy taxes and her military draft. As citizens of an independent principality, Monaco's taxes are negligible and they have no military service.

Caroline, however, is only the heir apparent. If a boy is born to the royal couple later he will supersede her in the line of succession.

Prince Rainier himself had been reported as wanting a girl.

CHURCH MAY BUY HANOVER HOTEL

Although there was no official confirmation that the sale has already taken place, Hanover reports indicated that the Richard McAllister Hotel building, York St., Hanover, has been sold or is about to be transferred for use as an old folks home by the Evangelical Reformed Church.

Boris Leavitt, the spokesman for the Richard McAllister Realty Company, Inc., owner of the five-story structure, Hanover's only modern hotel, is out of town and unavailable for a statement.

Some reports mentioned \$300,000 as the sale price but other sources indicated the figure is somewhat lower.

Strength was given to the sale reports by the fact that permanent roomers at the hotel have been given notices to vacate by February 15 and bartenders at the hotel have been notified their services will not be required after that date.

Dr. Edward W. Ditto Jr., president of the trustees of the Home-wood Church Home of the Evangelical Reformed Church at Hagerstown, has refused either to confirm or deny the sale report.

Begin Meetings For Boy Scout Leaders

The first in a series of three meetings for adult leaders of Boy Scout units of the Black Walnut District will be held this evening at 7:30 o'clock at Room 105 at Gettysburg High School.

Tonight's session is for den mothers, cubmasters and committeemen of Cub Scout units in the district. In addition, Stanley Rogers, scout field executive, said, "Every adult interested in Cub Scout work is invited to attend the session."

Tonight's meeting will include a discussion of registration procedure, operation of the Cub Pack, plans for activities during the year and "whatever problems or programs may be suggested by those present."

A similar meeting will be held in Room 105 at the high school next Wednesday for adults connected with the Boy Scout units and the third session will be held in Room 115 at the high school February 5 for Explorer Post scouts.

News Briefs

WASHINGTON (AP) — President Eisenhower said today Congress has the duty to cut his 72-billion-dollar budget if it can do it.

Eisenhower said he agrees with Secretary of the Treasury Humphrey that a federal spending should be cut if possible.

At his 100th news conference since taking office and his first since last Nov. 14, the President also spoke out sharply against any division of his Middle East program into separate military and economic aid packages.

WASHINGTON (AP) — House Republican Leader Martin predicted today that President Eisenhower's anti-Communist program for the Middle East will be approved by the House "by a very heavy vote" in substantially the form proposed by the administration.

The Massachusetts lawmaker made the forecast after he and other GOP congressional leaders had conferred with Eisenhower for about 75 minutes. It was Eisenhower's regular weekly session with the legislators.

EASTBOURNE, England (AP) — Lawyers defending Dr. John Bodkin Adams won the right today to take a look into the secret notebook of Scotland Yard's ace sleuth, Detective Supt. Herbert (The Duke) Hannam.

But a five-man Magistrate's Board ruled that the notebook must remain in court and that anything in it not dealing with the Adams case should be covered up.

LONDON (AP) — The British government today ordered a Hungarian military attaché, Lt. Col. Bela Nagy, to get out of the country within 24 hours.

A formal announcement said Nagy's presence "is no longer desired by Her Majesty's government."

The British action was in retaliation for the Hungarian government's expulsion of a British military attaché from Budapest.

HARRISBURG (AP) — The State Pardons Board today rejected the plea of Glenn A. Leamer, 32, Blair County, to commute his death sentence to life imprisonment.

Leamer was sentenced to die in the electric chair on Feb. 11 for the robbery-slaying of his 92-year-old grandfather, Samuel J. Leamer, on Nov. 2, 1955.

Pvt. Swisher is a senior at Fairfield High School, Pvt. Sterner is a junior at Delone Catholic High School, Pvt. Shafer and Swartz are seniors at Biglerville High School, and Pvt. Bonawitz is engaged in farming.

BIRD HOUSE FALLS

Gusty winds this morning felled a bird house in Fairfield with a tradition of at least 50 years. The bird house for martens, a blue-back species of bird, is supported on a post back of the Fairfield Hotel. The house, built about 50 years ago by George Kebil, a former owner of the hotel, is a miniature version of the hotel structurally. Early March the martens fly to their Fairfield home and stay until September. George Weber, present owner of the hotel, said the house will be rebuilt and in good condition for the birds' return this March.

Need Davenport For TV Viewers At Home

While receiving donations to a fund to provide a television set for the annex at the Adams County Home, members of the Home Auxiliary today appealed for a davenport for the sitting room of the women's division building where a television set was donated some weeks ago by the South Mountain Rangers' Riding Club. The davenport is needed to accommodate ladies watching the TV programs.

Contributions are "coming in well" for the new TV set for the annex, only building at the home without a set.

Anyone wishing to give a davenport should notify Mrs. Earl Delly, East Berlin, and the davenport will be called for. Contributions to the TV set fund may go to Mrs. Delly, chairman of the needs of the home committee, or Mrs. Clarence Smith, Fayetteville R. D., the treasurer.

The **FBI** Story—by Don Whitehead

CHAPTER 15

Tricking The Gestapo—A Spy Tale

President Roosevelt sent a confidential directive to Cabinet members on June 26, 1939, which said that the investigation of all espionage, counterespionage and sabotage matters was to be controlled and handled only by the FBI and the Intelligence divisions of the War Department and the Navy.

The decision came none too quickly, because on Aug. 24, Germany and Russia signed their 10-year non-aggression pact, which freed the Nazis to make war without fear of an attack from the East. On Sept. 1, German

Caribbean and South America.

Mistakes Aired

Meantime the FBI was making preparations for a wartime emergency, to be ready just in case. Hoover warned his staff of the mistakes made by the bureau and the government in World War I in handling the problems that came with war.

He recalled the blunders that resulted in a vigilante system being organized for combating subversion; in the lack of preparedness for dealing with spies and saboteurs; in violations of civil rights during the mass "slacker

being cleared for security with Army and Navy Intelligence officers. The Germans never suspected the hoax.

The FBI established Seboid in a mid-Manhattan office after all the "props" had been installed. A mirror on the wall reflected the image of anyone looking into the glass—but in the adjoining room this mirror became a window through which agents took movies of everything that went on in Seboid's office. Hidden microphones carried each word spoken to a recording device.

Littlestown**PARISH WOMEN MEET TUESDAY; VOTE DONATION**

The use of religious articles in everyday life as gifts, as a means of teaching good manners of prayer and of learning more about the saints for both children and adults, was demonstrated at the meeting of the St. Aloysius Parish Council of Catholic Women, held on Tuesday evening in the parish hall, with a display and explanation of various statues, pictures and books. A Bible quiz was also a part of the program, with Mrs. Donald L. Bedford and Mrs. Kenneth Stuller, tie winners. Both received holy picture plaques.

The business meeting preceded the program and was in charge of the president, Mrs. Joseph H. Redding, who received reports from Mrs. Charles W. Hood and Mrs. Thomas French, following prayer by the pastor, the Rev. William A. Boyle. A donation of \$5 was voted to the Infantile Paralysis Drive. Mrs. Redding announced that the home nursing course, being held under the sponsorship of the Civil Defense Committee of the Conewago Deaneary Council, which was scheduled to begin tonight, has been postponed and the first class will be held at 7:30 p.m. on Monday, February 4, in the Red Cross Office on Baltimore St. in Gettysburg. Classes will continue for several weeks, each Monday evening.

Announce Deaneary Meeting

It was also announced that the Conewago Deaneary dinner meeting will be held at 7 p.m. Tuesday of next week at the fire hall in McSherrytown and Mrs. Redding accepted reservations last evening. A work kit of cards and stationery will be displayed at the next meeting, when it will be decided if this project should be accepted as a fund raising one. Mrs. C. Donald Bowser will procure the kit for display. It is also planned to begin "vanishing parties" as a means of raising funds for the Council treasury.

The pastor spoke briefly concerning a parish affair to be held in the near future, the date and other details to be announced by him. The guess package, contributed by Mrs. Charles W. Hood, was received by Mrs. R. G. Lain. The program was prepared and refreshments served by the following committee: Mrs. Paul E. Altoff, publicity chairman, Mrs. Herbert Frock, Mrs. Marvin Miller, Mrs. Allen Wastler, Mrs. Johanna Riordan, Mrs. Albert Ozminski and Mrs. Daniel Deatrich. The committee appointed by the president for the next meeting on Wednesday, February 27, consists of Mrs. Ivan Rickrode and Mrs. George B. Sneeringer, co-chairmen of the Bishop's Fund for Diocesan Needs, Mrs. Nicholas Redding, Mrs. Thomas Cookson, Mrs. Hilda Elime, Mrs. Earl G. Sanders, Mrs. John Elime and Mrs. Francis Kuhns.

Three Purchase Kane Newspaper

KANE, Pa. (AP)—The Kane Republican, an afternoon daily newspaper, has been sold to three Bradford men for an undisclosed amount.

Lester R. Edwards, Henry Satterwhite and Robert B. Bromley purchased the 4,000 circulation paper yesterday from the Kane Republican Co.

G. Scott Smith, president of the old company, was named publisher by the new owners. John B. Cliff, employed by the paper for more than 30 years, was named editor and general manager.

The new owners also operate dailies in Bradford and Corry and weeklies in Smethport and Eldred. Tony S. Smith, former publisher and editor, will enter the public relations field. No other personnel changes are contemplated the new owners said.

MOULTRIE, Ga. (AP)—An appliance firm here is offering to figure anyone's income tax for them if they purchase a major appliance.

William Seboid played his role of a German agent well.

FBI Laboratory engineers built a short-wave radio station at Centerport, Long Island. Contact was made with the Gestapo station in Hamburg, Germany. A flow of messages began between the United States and Germany which gradually led the FBI to the largest spy ring to be uncovered before Pearl Harbor.

"LOVE IS"

Love is a great adventure . . . filled with enchanting thrills . . . It takes us to uncharted seas . . . and over rugged hills . . . love is a wondrous mystery . . . for those who are involved . . . it's delved into by many . . . but very seldom solved . . . love is a priceless treasure . . . that's sought by all mankind . . . it brings a wealth of happiness . . . for those of us who find . . . love is a velvet whirlpool . . . of farm and blissful dreams . . . wherein is found the answer . . . to all our secret schemes . . . love is a beautiful garden . . . where faithful flowers grow . . . but like all other things in life . . . love lives on what we sow . . . and if we treat it tenderly . . . it will forever bloom . . . but disregarded gardens breed . . . the weeds of hate and gloom.

Emmitsburg

EMMITSBURG—The Rev. Cyril F. Meyer, C.M., presently stationed at Mary Immaculate Seminary, Northampton, Pa., will conduct the annual students' retreat at Saint Joseph College, Emmitsburg, from January 30 to February 2.

Opening on Wednesday evening, January 30, the three-day retreat will include conferences conducted by Father Meyer and spiritual exercises. Saturday evening will mark the close of the retreat with the celebration of benediction and the bestowing of the Pontifical blessing. Father Meyer has formerly served as vice president of Saint John's University, Brooklyn, N. Y., and president of the College and University Department of the National Catholic Educational Association. He is listed in "Who's Who in American Education," has been on the "Church of the Air" and on the radio series, "You and the World."

In addition to his experience as a retreat master for college students, he has conducted many retreats for lay people. Father Meyer led a former retreat at Saint Joseph College in 1952 and delivered the commencement address to the graduates in June, 1954.

Meetings and lectures attended by faculty members of the college include the following: Adolph M. Wasilifsky, Ph.D., professor of English, attended a lecture on "Greek Tragedy in Modern Times"; Mrs. Margaret Wasilifsky, M.A., instructor

Seek Tips On Ways To Cut U. S. Budget

WASHINGTON (AP)—The House Appropriations Committee today called on Secretary of the Treasury Humphrey for some tips on where it might cut President Eisenhower's budget proposals.

Humphrey said last week the nation will "have a depression that will make your hair curl" unless federal spending is curbed. He told newsmen he thought substantial cuts could be made, but declined to name any specific items.

Chairman Cannon (D-Mo) said he hopes Humphrey can avoid the traditional attitude that executive department heads must defend—or at least not criticize—the government's budget at committee sessions.

"We want to have the full advantage of any advice he can give us in our desire to cut spending," Cannon told a reporter. "In view of Mr. Humphrey's statements when the budget was made public last week, we believe he may give us some valuable information."

TWENTY-FIVE YEARS AGO
William G. Weaver Ordered To Active Duty For Three Months At Fort Benning, Ga.; William G. Weaver, a captain in the 316th Infantry, Reserve officers corps, has been ordered to active duty at Fort Benning, Georgia, according to an official announcement from the war department, Washington today.

He will undergo a special course arranged by the war department for reserve officers. The regular army course is of nine months duration and the abbreviated course has been arranged for reserve officers who desire to pursue further army work.

Capt. W. R. McReynolds To Escort War Mothers To War-Zone Cemeteries; Captain Wilbur R. McReynolds, instructor of military science and tactics at Gettysburg college for four years and coach of various athletic teams at the college, will be relieved of his present duties in time to enable him to reach New York city May 2 for assignment to duty in connection with the annual summer pilgrimages of war mothers and widows to the cemeteries of Europe, the war department announced today.

In his new duties, Captain McReynolds will escort mothers and widows of world war soldiers to the graves of their relatives in France. The pilgrimages were instituted last year by the war department. All expenses of the women are paid by the government.

Adams County Schools Will Get \$55,825.05; School districts of Adams county, excluding Gettysburg, will receive \$55,825.05 from the state on February 1 as their semi-annual share of the state payments to schools for teacher's salaries, Professor W. Raymond Shank, county superintendent of schools, announced today.

John Knox Is Elected Head Of Supervisors; John Knox, Cumberland township, was elected president of the Adams County township supervisors association at the fourteenth annual convention at the court house Thursday. He succeeds William H. Arnold, Franklin Township, who served for three years. Other officers chosen include Mr. Arnold, first vice president; Irvin Robert Union township, second vice president; P. A. Bower, Table Rock, secretary and G. Vance Stitzel, Huntington township, treasurer.

Luther Cashman Heads S. S. Group; Luther Cashman, Gettysburg R. R., was elected president of the Adams County Sunday School association at a meeting of county and district officers at St. James Lutheran Church Thursday evening. He succeeds M. E. Knouse, of Arendtsville, who refused reelection.

Registration Of Cars Nets \$161,557 Here; From the registration of 7,942 passenger vehicles and 1,245 commercial vehicles licensed in Adams county in 1956, operators licenses and miscellaneous tags, the bureau of motor vehicles received \$161,557.55 according to the annual report made public today. Of the 67 counties in Pennsylvania Adams stands forty-fifth in total receipts sent the bureau of motor vehicles in 1956.

Many Attend Installation Of New Pastor; In the presence of an audience that filled the church, the Rev. Frederick B. Crane was formally installed Tuesday evening as pastor of the Gettysburg Presbyterian church. The Rev. R. H. Taylor of Hershey, moderator of the Carlisle Presbytery, conducted the impressive service of the church.

Bus Replaces Trolley Car; Climaxing nearly 39 years of service, trolley cars of the Hanover and McSherrytown street railway company made their last runs at midnight Tuesday and were replaced Wednesday morning by buses. Street car service between Hanover and McSherrytown was inaugurated September 9, 1893, and later was extended to Edge Grove

MIND REPAIR
I have heard it said that we should keep our friendships in constant repair. I think we can all appreciate the wisdom of this statement. We can make friendships, but if they are not kept in a healthy state they just steal away in the night without our notice.

The mind is something like this. It needs thought repairs. A change of ideas or convictions, a new tolerance or viewpoint is essential to a healthy mind. There is a familiar saying, "Watch your step." Well, let us watch our thoughts and not let them become rusty through disuse or neglect. Keep them clean. Prayer will wash them as nothing else can.

When we are careless about anything we begin to fall apart and are neglectful in all that we do. The mind is over all, so that if it becomes sluggish and inefficient there is a natural call for attention, and repairs where needed.

In school and from many books we learn of this wonderful mind of ours. We learn how tolerant it can become, and also how unjust in its appraisal of others. In a healthy state the mind functions so as to inspire others, inviting them to its standard. To contact many minds is a most wholesome and stimulating experience. The mind, like so many other things, grows old, needing repairs. This may be achieved by the constant alertness of the mind to those things in life that are forward and stimulating. The mind that keeps ever alive to what is going on in the world needs no repair. It repairs itself. People who stand still, never alert to changes, allow the cobwebs of inactivity to cloud up the mind. New light gives vision — far in front!

LITTLE MISS SIX O'CLOCK
Little Miss Six O'clock jumps out of bed,
Runs to her mother and fingers her head,
Tugs at her tresses and give her a shake,
"It's morning! It's morning!" she says, "I'm awake!"

"Oh," says the mother, as mothers before,
"Go back and sleep just an hour or two more."

The sun isn't up at this time of the day,
Go back to your bed. It is too soon to play."

Nobody knows through the ages long gone
How long at the dawn has this trouble gone on,
But mothers would over must slumber forsake
When their little Miss Six O'clock shouts: "I'm awake!"

C. Of C. Seeks New Statue Of Lincoln; A special committee will be appointed by Dr. Henry W. A. Hanson, president of the Gettysburg Chamber of Commerce, to communicate with Mrs. William T. Hildrup Jr., sister of the late Herbert Spencer Houck, noted sculptor, relative to the placing of Houck's recent statue of "Lincoln in Prayer" in Gettysburg. The late sculptor Houck had visions of making a Lincoln statue and to have it placed at or near the spot where Lincoln delivered his Gettysburg address. He lived to see the statue made, but died before he realized his second ambition. His sister, as steward of the statue, hopes to have it erected here.

East Berlin firemen said the blaze was plainly visible at York where a rumor that many had been injured in Weiglestown, where Yorkers thought the pillar of flame was located, caused the dispatch of three ambulances to that community.

"Big Inch" Close By

At first it was believed the "Big Inch" line had blown up but later the Texas Eastern Transmission Corp., operators of the system, said it was the smaller "Little Inch." The two lines run within eight feet of each other at the point of the explosion.

The noise could be heard for several miles and there were reports the flames could be seen for 20 miles or more.

E. R. Cunningham, vice president in charge of operations of Texas Eastern, said in Shreveport, La., headquarters of the company, that service would not be disrupted.

He said there was no material damage other than the broken line. Cunningham explained that the larger "big inch" and Penn-Jersey lines could handle the additional load until the "Little Inch" was repaired.

Cause Not Known

The "Little Inch" runs from Beaumont, Tex., to Linden, N. J. There was no immediate cause established for the explosion.

A similar blow up in the Texas Eastern lines occurred two miles from York, near Davisburg, Pa., five years ago. Then company officials said the break was caused by faulty pipe sold the U. S. government, who originally built the Texas Eastern purchased it in 1947.

Springs Fire Company will hold a meeting on Tuesday night at 7:30. As there was no meeting in December, the members are asked to bring their 50-cent gifts to this meeting to be exchanged. Refreshments will be served. All members are urged to attend.

Miss Vivian Brumgard was in Washington, D. C., on Monday and saw the inaugural ceremonies and the parade. Mr. and Mrs. Robert Heck, Nekoma, N. Dakota, visited the latter's uncle and aunt, Mr. and Mrs. Charles Slaybaugh, and her cousins, Mr. and Mrs. Donald Miller. Mr. and Mrs. Heck traveled from N. Dakota without snow on the road until they reached the Pennsylvania Turnpike.

Hear Two Speakers

James Eakin and Wayne Hinish, extension agronomists from Pennsylvania State University, were the principal speakers at Tuesday's meeting.

They reported Adams county is "third from the bottom" in organic matter in the soil in Pennsylvania. Their report showed Lancaster County as having the lowest amount of organic matter in the soil in the state, Franklin county second lowest and Adams and York counties tied for the third lowest spot.

The agronomists held that the low organic matter content in the soil of the tier of counties was due originally to the types of soil, plus the fact that the area has been extensively farmed for many years with corn and other similar crops "and there has not been enough sod in the rotation."

Organic matter in the soil was described by the experts as of equal importance with fertilizer in producing large yields of corn, and they stressed "more and better sod in the rotation" to improve yields of corn in Adams and the other counties in this area.

Report On Experiments

They also reported experiments on the Jordan test plots at Pennsylvania State University, now in their 78th year, have revealed an "unexpected" importance of phosphorus in corn production. A test plot with lime, but no fertilizer, produced an average of 26.7 bushels of corn per acre; with

Littlestown TWO DRIVERS ARE CHARGED AFTER CRASHES

Littlestown Chief of Police Calvin S. Mummert made a number of arrests over the weekend.

Sunday at 3 a.m. a sedan driven by William L. Boone, Littlestown R. 1, struck the parked car owned by John Deardorff, 529 Prince St., in front of the Deardorff home. Damage was estimated at \$325 to both cars. Boone was charged with driving too fast for conditions.

On Monday morning at 5:30 o'clock, a truck driven by Donald Myers, Manchester R. 1, struck the car driven by Mildred Hollinger, Gettysburg R. 1, at the community square. Holland Weant, Gettysburg R. 1, a passenger in the Hollinger automobile, received minor injuries and required treatment at the office of Dr. Leonard L. Potter, local physician. Damage to both vehicles was estimated at \$520. Myers was charged with failing to stop for a red light. Also charged with not heeding a red light was Mrs. Ruth L. Kump, 35 W. Myrtle St.

Kingsdale Auxiliary Meets

The Ladies' Auxiliary to the Kingsdale Fire Company met on Monday evening at the engine house, with Mrs. William J. Lippy, president, in charge. The session opened with group singing, a responsive reading and the Lord's Prayer in unison. A contribution was voted to the March of Dimes. Reports were

only nitrogen added to one plot the yield was 29.3 bushels; with only potash added in another plot the yield was 29.6 bushels, and with only phosphorus added in a fourth plot the yield was 80 bushels per acre. Where a complete fertilizer containing all elements for balanced nutrition was added to test plots yields were from 113.3 to 128 bushels per acre. In all plots lime was used along with the fertilizer elements.

Lime should be applied where grassland is to be established "long enough ahead and mixed well enough in the soil to neutralize it before grass is planted," the experts reported. They termed one of the most common mistakes of farmers is the application of seed and lime simultaneously. Phosphorus must be plowed in deep "if you are going to get a good start." Because various mixtures of grasses grow well in the Adams County area farmers can use various types to get season around results and avoid danger from weather, the specialists reported.

heard from Mrs. Glenn Lippy, assistant secretary, and Mrs. Lester Myers, treasurer.

The Auxiliary made plans to sponsor a public party in the engine house, near town, along the Taneytown Rd., on Saturday evening, February 16. Preliminary plans were discussed to serve a banquet on Thursday, February 14. Mrs. Joel Mummert, Mrs. Walter Sheely and Mrs. Blanche Shadle were appointed to serve as hostesses for the next meeting on Monday, February 18. The business concluded with the group singing "Blest Be The Tie." Refreshments were served by Mrs. Arthur Mummert, Mrs. Curvin Mummert and Mrs. John Mummert.

Class Committees Named

Standing committees for the year were announced at the January meeting of the Hustlers' Class of Redeemer's Reformed Church, held on Monday evening at the church. The 1957 committees include: Flower committee, Mrs. Theron W. Spangler and Mrs. Norman R. Lemmon; dining room, Mrs. Glenn S. Kauffman Jr., Mrs. William I. Stately; kitchen committee, Mrs. Ralph Stately, Mrs. Theron Spangler, Mrs. Margaret Wehler and Mrs. Paul H. Stonessifer.

Mrs. Ralph Stately, vice president, conducted the business, which opened with the group repeating the Apostles' Creed, followed with the Scripture by Mrs. Margaret Wehler and prayer by Miss Malva Dutera. Contributions voted \$10 to the March of Dimes and \$10 to the Ladies' Aid Society. The group decided to make and sell sandwiches in the community factories next Wednesday, Jan. 30. Reports were heard from Mrs. Monroe Stately, secretary, and Mr. George C. De Hoff, treasurer.

The members then returned their annual birthday dues. The guest package, given by Mrs. Stately, was won by Mrs. Kauffman. The meeting closed with the Lord's Prayer in unison.

The class will meet again on Monday, February 18, at the church, and the hostesses will be Mrs. Walter F. Crouse, Mrs. Lloyd E. Crouse and Miss Lillian Demmitt.

At Least 10 Killed In Severe Storms

By THE ASSOCIATED PRESS
A variety of weather prevailed across the nation today in the wake of severe storms which killed at least 11 persons in Tennessee and the lower Mississippi Valley.

Snow and cold hit broad areas in the mid-continent.

A southerly flow of warm moist air brought springlike weather to areas from the Appalachians eastward to the Atlantic Coast. Flood waters spread into sections of western and central New York. Some streams in the Northeast and parts of the East were reported near bankful after rapid melting of heavy snowfalls.

Rotarian, publication of Rotary International, was observed at the dinner meeting of the Littlestown Rotarians last evening at Schottie's Hotel. A birthday cake was enjoyed by the club in commemoration of the observance. The Rev. Dr. Nevin E. Smith, pastor of Emmanuel Evangelical and Reformed Church, Hanover, and a Rotarian, was the guest speaker for the occasion. Dr. Smith addressed the club concerning "The Rotarian." The speaker was introduced by Arthur E. Blair, acting chairman of the magazine committee, in charge of the evening's program. The invocation was offered by the Rev. David S. Kammerer. Four visiting Rotarians were present: Edwin E. McGill, Hanover; Paul E. Lawyer, Ober Herr Jr. and A. Bohn, of the Westminster club.

The program for the meeting next Tuesday, 6:15 p.m., at Schottie's will concern the Rotary bulletin, and will be in charge of Lloyd L. Stately, editor of the club bulletin.

A small turkey may be stuffed and roasted on a rotisserie (electric). Some cooks like to use moderate heat for the first third of the roasting time, high heat for the next third, and moderate heat again until the bird is done.

Warriors Weaken In Final Period And Bow To Hershey 50-44; Scrubs Cop Thriller

For practically 30 minutes of the 32 of action, Gettysburg High School basketball fans had visions of an upset victory over Hershey here Tuesday evening but the Trojans, after trailing 25-17 at half time, eked out a 50-44 verdict which was not decided until the final two minutes of play.

The Warriors put up one of their best games against a taller outfit but lost out via a miserably showing from the foul line where they converted but eight of 17 tries. Meanwhile Hershey, outscored from the field 18-16, dropped through 18 in but 22 tries.

Playing a fine game throughout the first half when they outbounded the visitors, Coach Forney's tribe led most of the way. After Lee Moyer converted a foul for Hershey, the Warriors took the lead on a lay-up by Ken Keefe and a one-handed by Tom Kitzmiller. Schiller sank two fouls for Hershey before Bobby Hess hit from the side. John Fetterhoff landed two fouls after which Kitzmiller rimmed a long chuck. Moyer got Hershey's first goal with about a minute remaining. Earl Little registered the first of his eight goals to make it 10-7 but a three-pointer by Schiller knotted the count. Little landed a jump shot just as the period ended with Gettysburg on top 12-10.

GHS Builds Lead

Gettysburg played brilliant defensive ball in the second frame and limited their foe to just seven points. Keefe and Kitzmiller sent Gettysburg to the front 16-10. Goals by Moyer and Schiller shaved the lead but Kitzmiller hit on another long toss. A foul by Fetterhoff, a three-pointer by Keefe and a goal at the buzzer by Hess left the Warriors in front 25-17 at half time.

Hershey tabbed the first eight points of the third stanza before Hess netted two fouls and Little a pair of goals to keep the Warriors ahead at 31-25. The visitors came on again to knot the score at 31-31 with less than a minute to play. Little landed a pair of fouls but Moyer got a three-pointer as Hershey led 34-33 entering the final period.

The Trojans pulled out to a 42-37 advantage with 2:38 minutes remaining. Little and Fetterhoff exchanged goals before Hess looped a goal and then a foul to pare Hershey's lead to 44-42 with 1:37 left. Four straight fouls by Schiller made it 48-42 to clinch the verdict after which Kitzmiller and Fetterhoff exchanged meaningless goals.

Daniels Blanked
Gettysburg turned in a brilliant defensive act against the high-scoring Barry Daniels who failed to land a single point. Much of the credit for the job goes to Keefe although he was assisted by teammates throughout.

Little and Kitzmiller accounted for 18 and 10 for the Warriors. Schiller and Moyer were tops for Hershey with 19 and 16.

Tommy Crist sank 21 points in leading the junior varsity to a thrilling 40-37 victory in the preliminary game which snapped a six-game losing streak for the locals. Midway in the second period Hershey led 21-12 but the scrappy Warriors surged back in the final period as Crist landed five goals to snatch the verdict.

Boiling Springs, Biglerville and Littlestown continued their three-team race for the Adams County Scholastic Basketball League title by registering victories Tuesday evening.

The unbeaten Bubbiers rolled over York Springs 83-26 on the Springers' court and wrapped up the verdict with 32 points in a torrid second frame when York Springs was limited to one goal and a foul. Bob Hammann rammed through 20 points to spark the Bubbiers while George Williams looped 13 for York Springs.

Biglerville piled up a 27-4 lead in the first period at Big Spring and breezed to an easy 74-43 verdict. Don Bowers netted 20 points, Jimmy Smallwood 17 and Larry Shillito 10 to lead the Cannon assault. Wheeler was top man for Big Spring with 14.

Bolts Jolt Fairfield
Littlestown, who plays at Biglerville Friday night, remained in a tie for second place with the Cannons by drubbing Fairfield on the latter's court 49-32. Fairfield surprised by taking a 14-8 lead in the first period but the Thunderbolt poured 23 tallies through the hoop in the second frame to take a 31-22 halftime edge and went on to victory. Ken Koontz and Al Snyder combined for 30 Littlestown points while Jimmy Musselman and Kenny Kuykendall netted 10 and 8 for the losers.

New Oxford jumped off to a 15-8 advantage in the first quarter over invading East Berlin and went on to win handily 59-46. At half time the Colonials led 29-23. Noel Taylor and Jan Sponseller each sank 14 points for New Oxford. Lloyd Baker had a similar total for the Indians.

HARRISBURG — The reapportionment of Maj. Gen. Henry K. Fluck as commander of the 28th National Guard Division was approved by the Senate last night.

CHERIF HAMIA IN SCRAMBLE ON FEATHER TITLE

By JACK HAND
NEW YORK — Cherif Hamia, a clever curly-haired Algerian, leads the pack of challengers snapping at the world featherweight title now that Sandy Saddler has been retired.

The National Boxing Assn. hopped into the fray last night when Fred Saddy, secretary, said in Milwaukee the winner of a bout between Hamia and Carmelo Costa of New York would be recognized as new champion.

The New York State Athletic Commission is expected to come up with some sort of a formula, involving the leading contenders, when the medical report on Saddler is diagnosed.

Outpointed Costa
Miguel Berrios of Puerto Rico, recently beaten by Gil Cadilli of San Francisco, probably will be in the midst of the scramble. Saddy said Berrios, who had been No. 2 in both NBA and Ring ratings, was dropped to third behind Costa after his defeat by Cadilli.

According to Saddy's formula, Hamia and Costa would have to file an agreement with the NBA to defend the newly-won title within 90 days after their bout against the man designated as leading challenger by the NBA.

Hamia outpointed Costa in a Madison Square Garden 10-rounder, March 30, 1956 on a split decision.

Crown Vacated
In a June 15 match in the Garden, Hamia won a unanimous decision over Berrios who was dropped for the first time in his career in the fourth round.

Hamia's other American start, May 4, resulted in a victory over Ike Chestnut at Washington on a divided decision.

The 126-pound crown was vacated yesterday when Charlie Johnston, Saddler's manager, said he was retiring the champ on the recommendation of Dr. Thomas W. Mathew, a neurosurgeon, who reported the boxer was "going to lose the crown." Wheeler was top man for Big Spring with 14.

Dr. Mathew recommended retirement for the 30-year-old Saddler, who was injured in an auto accident in July 1956 when a taxicab in which he was a passenger was in collision with a car.

YOUNGSTERS TO BATTLE TONIGHT

CHICAGO — The International Boxing Club's youth movement unfolds on national television tonight when a pair of 20-year-old lightweights, Carlos Ortiz of New York and Chicago's Bobby Rogers, meet in a 10-round bout.

It is Rogers' first TV appearance. Ortiz is well known in the East after registering 19 straight victories as a pro, following 27 successive triumphs in the amateur ranks.

Mainly because of his record, Ortiz rules a 2-1 favorite, but Chicago ring experts wouldn't be surprised to see an upset by Rogers, a 60-per-cent laundry worker who has a vicious, short right-hand punch.

Rogers has won 10 fights, lost 2 and drew in 2, since turning pro shortly after taking the 1955 Chicago Golden Gloves lightweight title. He is credited with seven kayoes.

He won his TV main event chance with recent victories over Andy Arel of Pittsburgh and Davey Moore, the 1952 Olympic featherweight champ.

ABC will telecast at 10 p.m. EST.

HARRISBURG (AP) — Legislation was introduced in the Senate yesterday by Sen. Donohoe (D-Phila) for appointment of a committee on reorganization of Pennsylvania courts.

The committee would be composed of five senators, five representatives and five judges named by Gov. Leader.

York Catholic Is First Half Champ

York Catholic clinches the first half championship of the Central Penn Catholic Basketball League Tuesday evening by defeating Lancaster 72-61.

In other league games Harrisburg topped Delone 69-45 while Lebanon nipped Shamokin 64-63.

VIE FOR HONOR OF APPROVING KOREAN BONUS

HARRISBURG (AP) — Both the House and Senate today vied for the honor of being the first to approve a proposed constitutional amendment to pay a 150-million-dollar Korean War bonus.

Both branches placed their separate—but identical—bills in position for debate and possible final passage next week.

The Republican leadership must decide whether to use the House or Senate bill as the ultimate vehicle to place the question on the Nov. 5 general election ballot. Neither can take effect until one passes both chambers.

Predicts Approval
Rep. Albert W. Johnson, House Republican floor leader, predicted unanimous approval of the measure, adding:

"We should have this passed by the House no later than next week."

Under both the House and Senate measures which reached the floor yesterday some 335,000 Pennsylvania veterans of the Korean conflict would be eligible for a bonus of up to \$500.

The 105th Legislature would have to raise the taxes to finance the bonus. The proposed amendment itself says a special tax program must be enacted to pay for the plan.

Seek Lottery
Coincidentally, four Philadelphia Democrats called for a state-operated lottery to finance the bonus. A state commission would hold a daily lottery with tickets costing 25 cents each. Twenty-five per cent of the proceeds would go to the state.

Sponsors were Reps. Francis X. Muldowney, Thomas A. Frascella, Harry R. Comer and William Limper.
Prospects for passing the measure in a House were bleak.

Other legislative developments:
Torquato dismissal—Rep. H. G. Andrews (D-Cambria) told the House last night that Gov. Leader was "outrageously unjust" in firing John R. Torquato as secretary of labor and industry.

Special fund probe — Both the House and Senate received resolutions demanding legislative inquiries into a special \$1,175,000 fund in the Labor and Industry Department.

Put Off Action
Pardons Board—The House put off action until possibly next week on a Republican-sponsored resolution to investigate the operations of the State Pardons Board.

Sen. Frank W. Ruth (D-Berks) sponsored a plan for a similar probe with equal representation by both Republicans and Democrats.

Gasoline tax refund—The House Ways and Means Committee approved a measure to make permanent the law refunding Pennsylvania farmers the taxes they pay on gasoline used in farm machinery.

Constitutional amendments — Proposed constitutional amendments were sent to the floor last night which would permit absentee voting, annual sessions of the General Assembly and exempt private forest reserves from taxes.

DELONE LOSES TO HARRISBURG QUINTET 69-45

Scoring 24 points in the final frame, the Harrisburg Catholic Crusaders gained a 69-45 victory over the Delone Catholic Squires in a Central Penn Catholic League contest on the losers' court Tuesday night before an overflow crowd. Delone finished the first half of seasonal play with a 1-4 record while the Crusaders stand at three wins against one setback with one game remaining.

Delone put up a nip and tuck battle throughout the engagement before they folded in the final frame as they tallied only seven points. Paul Gebhart and Ed Roth dunked the only goal while Joe Poist and Bucky Washington added the remaining counters on foul shots. Harrisburg scored all of their points on field goals as Delone did not commit a foul. Bill Lynch was the big gun with three two-pointers.

Good Foul Shooting
During the first half the Squires were highly successful from the foul line as they dropped in seven out of eight charity tosses. Jim Strazzella looped a pair of one-handed push shots from both sides of the court to account for four of the Red and Blue's points. Ed Roth, who had been finding it difficult to find his mark uncorked a trio of jump shots scored his only goal on a tap-in. "Chad" Weaver added the final double counter with a long jump shot from behind the foul circle, in the second stanza.

Harrisburg's Joe Weideman was the top performer in Les Giani's lineup both on defense and offense, landing five field goals on an assortment of shots. Bill Ludlam, 6'6", center, covered and controlled the boards and scored many of his points on rebounds. Harry Nelson and Bill Lynch added from the outside while Ed Seigfried worked from the foul line.

Delone stayed within nine points during the rough first half and were trailing by the same number of points at the end of the first half, 32-23. After the first quarter of play the Crusaders held a narrow 18-13 lead.

Delone kept in the running in the third frame via nine for nine in foul shooting. They tallied only three goals. All but one of Harrisburg's points were scored in the double bracket.

Joe Weideman and Bill Lynch shared scoring honors with 16 points each. Ed Roth was Delone's top man with 12.

Delone Scrubs Bow
In the preliminary contest Harrisburg took a 14-10 lead in the first quarter and were threatened many times during the first half, but the little Crusaders built up a 14-point advantage in the third stanza and went on to down the Squires 69-48. Bill Moschetti was top man in the contest with 18 tallies while Johnny Gastley and Larry Miller led the Delone scoring with 11 and 10 points respectively.

The Squires will be idle until February 1 when they host the Gettysburg Warrior outfit.

FRANCE OKAYS ONE EUROPEAN ECONOMIC UNIT

PARIS (AP)—The French National Assembly early today endorsed France's participation in negotiations to weld Western Europe into a single economic unit.

A resolution adopted 321-210 approved the general outlines of the European common-market plan and the proposed European free-trade zone. It expressed confidence in premier Guy Mollet to carry through negotiations on both ideas.

The common-market plan is an attempt to erase customs barriers and trade quotas among France, West Germany, Italy, Belgium, the Netherlands and Luxembourg, and to unify their tariff walls against the products of other countries.

Unify Coal, Steel

The six nations already have unified their coal and steel industries under the Schuman Plan and are negotiating a similar arrangement for the development of atomic power for peaceful purposes.

Foreign ministers of the six nations will meet in Brussels Saturday to discuss a common-market treaty. It is expected to be signed late this month.

The broader free-trade zone proposal would also bring in Britain. It would provide free trade within the zone but allow the member countries to have their own trade policies toward other parts of the world. Britain has asked the six nations to write their treaty loosely enough to permit her association with the common market through such a zone.

In time, sponsors hope, a common market will be built up to take in all countries of the Organization for European Economic Cooperation — some 250 million customers. This would be a big step toward the dream of a United States of Europe.

MOROCCAN ARMY ENTERS PROVINCE

MIDELT, Morocco (AP)—Royal Moroccan army forces Tuesday entered Tiflilet province where the defiant Berber governor has been in rebellion for four days against the central government.

The troops were cheered by huge crowds which lined the streets.

The governor, Addi ou Bihl, fled during the night. Most of Bihl's tribal supporters disappeared into the mountains. A group of about 60 resisted briefly, but there were no casualties.

Bihl was formally deposed yesterday by Crown Prince Moulay Hassan, sitting in for his father, Sultan Mohammed V, who is visiting Italy.

The Berbers are Moslems but are a different race than the Arabs. They once held important political power in Morocco.

Prof Wins Largest Amount On TV Quiz

NEW YORK (AP)—Charles Van Doren, a 30-year-old Columbia University teacher, now is the nation's top money winner of television quiz programs. His winnings total \$104,500 — with the sky the limit.

Van Doren, an English instructor and the son of the Pulitzer Prize winning poet, boosted his earnings Monday night on NBC-TV's Twenty-one show by besting two challengers. He started the evening with \$99,000 and added \$5,500.

He returns to the show Jan. 28 to announce whether he'll take his winnings or try for more. NBC said there is no limit to what he can win.

The \$104,500 amount, the broadcasting company said, is the largest amount ever won by anyone on a TV quiz program.

The show draws its name from the card game "21." The rules governing competition somewhat follow its rules.

POLISH REDS WIN MAJORITY

STOCKHOLM (AP)—The Stockholm paper Expressen reported Tuesday the Polish Communists won only a 13-seat majority in the 459-seat Polish Parliament.

Official results are to be announced tomorrow. The United Workers (Communist) party now headed by Wladyslaw Gomułka had a majority of 121 seats in the outgoing Parliament.

There is no question of Gomułka and the Communists not controlling the new Parliament. Candidates from the fellow-traveling Democratic and United Peasant parties and independents whose names were placed on the single

James MARLOW Reports

The Associated Press

WASHINGTON (AP)—Anyone who has expected President Eisenhower's leadership to be more fiery, forceful and tough in dealing with Congress these next four years is likely to be disappointed.

In his first two years in office Eisenhower sometimes acted like a man who thought the President's election list of the Communist-headed national front all were pledged to follow the Red policies.

job was merely to consult with Congress. In the following two he showed more signs of pushing for the ideas he wanted approved.

But in his whole first term Eisenhower can hardly be said to have fought very vigorously for much that he proposed, at least on domestic problems. He did fight harder on foreign affairs.

Tries Persuasion

Nevertheless, he received a lot of cooperation from the lawmakers and, judging from last November's election, the broadest kind of public approval for what he did and the way he acted.

Apparently he has no intention of changing. He said as much at his news conference Nov. 14 after getting an overwhelming re-election pat on the back. On that day he indicated the course he'd follow, which was the course he had followed.

He said he would try to get things done through persuasion,

since he is not one of the desk-pounding type who likes to stick out his jaw and try to look as if he is bossing the works.

Few Fights Planned

That probably accounts for the lack of aggressiveness and steam in his messages to date this year outlining his program for the days ahead. A possible exception was his call for a new program for the Middle East.

So far in 1957 he has offered no ideas—again with the exception of the Middle East — that could be considered new or more controversial than anything he laid in the lap of the lawmakers this past

POSTPONE GULF THEFT HEARINGS

PITTSBURGH (AP)—Arraignments scheduled here Friday for two men indicted in the Gulf Oil Corp. map theft case have been postponed indefinitely.

U.S. Atty. D. Malcolm Anderson said yesterday the proceedings were pushed back a second time because one of the men, Odie Seagraves of Houston, Texas, reportedly must undergo surgery for a kidney ailment.

Anderson said the other man, Edward Leberman of New York, was given the choice of having the arraignment or postponing it until Seagraves appears. Leberman chose to wait.

Also indicted in the bizarre case last month were Emanuel Lester,

four years.

He has talked to Congress in person on the Middle East; delivered in person his State of the Union message; delivered his inaugural address in public; and sent his budget message to Congress.

All of them had their quota of platitudes. There was no indication he would really fight very hard for any of the suggestions he made, except perhaps for the free hand he wants in the Middle East.

1957 Pennsylvania Farm Show Set Pace For Future Farming

The future pattern of Pennsylvania agriculture was clearly set forth in the 1957 Pennsylvania Farm Show, according to State Secretary of Agriculture William L. Henning, chairman of the State Farm Show Commission.

Quality of product, labor-saving mechanization, improved breeding, feeding and cultural methods featured every display and activity in the exposition which he described as the "most effective Farm Show ever held."

In opening the 40th anniversary Farm Show Governor George M. Leader called it "a show of champions and a championship show down to the last entry."

State Farmers In Front
The show proved that Pennsylvania farmers are out in front, Secretary Henning declared, adding "Pennsylvania agriculture will go farther in the next 40 years as in the four decades since the Farm Show was started."

Featuring the opening of the show was the cutting of a giant 40th Farm Show anniversary cake by Governor Leader, Secretary Henning and E. K. Hibbsman, of State College, the only surviving member of the group of six agricultural leaders who organized the first Farm Show, held in 1917 in Harrisburg.

The Farm Show Commission announced that the next show would be held during the week beginning January 13, 1958.

"Build For Tomorrow"
Tuned to the theme: "Pennsylvania Agriculture Builds For Tomorrow," the Farm Show with its many meetings and 10,000 exhibits drew exceptionally large crowds on the opening day in spite of extreme cold, snow and hazardous road conditions that prevailed through most of the week. Thursday was the biggest day with an estimated 150,000 visitors. Total for the week was 510,000, which was about the same as the 1954 show.

New Attractions
The fact that many livestock and commercial exhibitors could not be accommodated at this show led Secretary Henning to emphasize the increasing need for additional facilities.

Farm Show Briefs

The Future Farmer demonstration contest at the 1957 Farm Show was won by the Union Township High School, New Castle, Lawrence Co. Future Homemaker winner was the team from Blue Mountain Joint High School, Cressona, Schuylkill Co.

In the special school exhibits at the Farm Show the home economics winner was the James Buchanan Joint High School, Mercersburg, Franklin Co. The vocational agriculture winner was the Upper Perkiomen Joint High School, East Greenville, Montgomery Co.

The title of the Farm Show's most outstanding cook might well be conferred upon Mrs. Raymond Campbell, of Port Royal, Juniata Co. For two consecutive years she has won 13 first prizes and 4 sweepstakes. Nine of her first prizes this year were in canned foods. Her sweepstakes were two in clothing and two in foods.

Winner of the state championship heavyweight horse pulling contest at the 1957 Farm Show was a team driven by Clarence Brainerd, Harford, Susquehanna Co. Lightweight team winner was M. O. Hetrick, New Bethlehem, Clarion Co.

"Rex," the 1,075-pound Angus grand champion 4-H baby beef at the 1957 Farm Show, sold to the Howard Johnson Restaurants for \$167 a pound, liveweight. It was shown by Glenn Foreman, 15, Mannheim R. 3, Lancaster Co. The sale total was \$1,795.25. The reserve grand champion, 990-pound "Blackie," exhibited by Herbert Frey, 19, Lancaster R. 1, sold for 85 cents a pound, a total of \$841.50, paid by the same firm. The 1956 champion brought \$1,521.45; and the reserve champion \$1,000 per pound.

The grand champion pen of 4-H lambs, three Southdowns shown by Mary Keene, Christiansburg, Lancaster Co., sold for \$100 a pound to Economy Meat Market, York. The reserve champion pen shown by Nancy Gibbs, Elizabethtown R. 3, Lancaster Co., sold for 65 cents a pound.

New records for sales of Pennsylvania farm foods by five farm organizations were established at the 1957 Farm Show and emphasized the high quality of Keystone State farm products. The Pennsylvania Potato Growers Association dispensed 72,000 baked potatoes (3,600 tons, 15 tons of French fries and 825 pounds of potato chips; Horticultural Association: 106,000 apples, 24,192 cups and 6,560 quart bottles of apple juice; Dairymen's Association: 30,000 milk shakes, 32,000 cups and 5,000 half pints of ice cream and 2,500 ice cream sandwiches; Poultry Federation: 15,000 hot turkey barbecue and 6,000 cold white meat turkey sandwiches; Beekeepers Association: More than a ton

A record number of 205 radio programs came out of the 1957 State Farm Show, more than 100 of them "live," or direct from the show building in Harrisburg. Stations participating totaled 54. Five TV stations "covered" the show.

MAILS LEWD LITERATURE
LEWISBURG, Pa. (P)—A federal grand jury yesterday indicted Irvin E. Kling of Lock Haven for sending obscene literature through the mail.

It also returned an indictment against Richard Albert Hudson of Montoursville for forging a U.S. treasury check in the amount of \$1,522. Richard A. Wilcox of Covington was indicted for forging a \$50 treasury check.

NEW YORK (P)—The stock market put on an indecisive performance today. Prices were narrowly mixed, with a slight tendency to the downside. Turnover was light. The American Stock Exchange and corporate bonds were mixed.

HARRISBURG (P)—A proposed constitutional amendment to make the state's legal voting age 18 has been approved by the Elections Committee of the House. A similar plan was introduced in the Senate yesterday by Sens. Pechan (R-Armstrong), Wade (R-Cumberland), Elliott (R-Franklin) and Ehrigood (R-Lancaster). The legal age now is 21.

PHILADELPHIA (P)—Railroad attorneys braked to a stop yesterday in a multimillion dollar antitrust battle between Pennsylvania truckers and Eastern railroads.

U.S. District Judge Thomas J. Clary said he hoped the opposing sides would finish summations by the middle of next week in the 14-week-old trial.

New Exchange For Mt. Pleasant Mills

HARRISBURG (P)—The Middle-creek Valley Telephone Co. of Selinsgrove has been authorized by the Public Utility Commission to establish a new exchange for the Mount Pleasant Mills area starting Feb. 4.

The PUC said yesterday that rates for the exchange would be the same as for the Middleburg exchange which now serves Mount Pleasant Mills.

The action will reduce or eliminate mileage charges to some subscribers, the PUC said.

MAD BOMBER AWAITS EXAM AT BELLEVUE

NEW YORK (AP)—George Metesky — the Mad Bomber — was in Bellevue Hospital today awaiting psychiatric examination. His 16-year reign of terror was at an end.

The court order committing the 54-year-old bachelor came less than 24 hours after police arrested him at his Waterbury, Conn., home.

"I'm glad I did it," Metesky said with a smile late yesterday as he was brought from Waterbury to New York City for arraignment.

Watch Climb

A crowd of 300 persons, including some 150 newspaper, television and radio representatives, watched Metesky climb out of a police car caravan. He was handcuffed between two detectives.

The smile never left his face. He appeared to enjoy immensely the fuss being made over him.

"Are you sorry you did it?"

someone shouted.

Metesky's blue eyes twinkled. "Yes," he laughed, adding: "I'm sorry I injured people, but I'm glad I did it."

After his arrest, Metesky signed a statement admitting he was the Bomber who had planted 32 bombs in public places since 1940. Twenty-two exploded, injuring 15 persons, one serious.

Felt "Hurt"

The tall, balding Metesky was quoted as saying he never had intended to kill anyone and felt "hurt" whenever he read one of his devices had injured anyone.

He unleashed his bomb planting campaign, he said, to point up what to him was lack of compensation for an industrial injury 25 years ago.

He was taken to court on charges of felonious assault, malicious mischief and violation of the Sullivan Law, meaning the possession of dangerous weapons such as bombs. Bond of \$100,000 was set. He had voluntarily waived extradition from Connecticut.

The three counts could carry a maximum sentence of 42 years but could easily stretch into several life terms if he is tried and convicted separately for each of the 32 bomb plantings he admits.

HAMMARKSJOLD TO GET ISRAEL DETAILS TODAY

By TOM HOGE

UNITED NATIONS, N. Y. (AP)—Secretary General Dag Hammarskjöld was slated to hear details today of Israel's proposal that she govern the disputed Gaza Strip under U.N. surveillance.

Israeli Ambassador Abba Eban was expected to outline to Hammarskjöld the plan under which Israel's forces would pull out of the strip, but Israeli authorities would stay behind to handle the social and civil administration.

Regardless of Hammarskjöld's reaction, Egypt and the Arab states were certain to oppose the proposal. The Arabs demand the return of Gaza to Egypt, which occupied it from the Palestine War until the Israeli invasion in October.

Debate Shapes Up

The United States has suggested that the U.N. Emergency Force occupy the coastal strip packed with Palestine Arab refugees until a settlement between Israel and Egypt.

A major U.N. debate shaped up, meanwhile, on the entire scope and future of the U.N. police force. It was expected to begin in the General Assembly Monday with the Soviet bloc and Arab states opposing Western proposals to keep UNEF troops in Gaza and along the Sinai Desert coast of the Gulf of Aqaba, where Israeli forces also are still holding fast.

The Assembly last weekend called on Israel to get out of all territory she occupied during the invasion of Egypt and asked Hammarskjöld to report Israeli compliance by Friday. Israel announced yesterday she had withdrawn from everything but the Gaza Strip and the Sharm el Sheikh area, the Aqaba coast from

ing about 10 feet from the road, were found by a motorist.

Barbara's chest bore three marks which Lohman and coroner's officials said could have been inflicted by a small-caliber rifle or an ice pick. No clothing was found, just as in the case of the slaying of the three boys.

The cause of death must await findings by a team of three pathologists who will begin detailed examination today.

Denies Any Connection

Police said the three marks on Barbara's chest raised another similarity between the Grimes' girls slayings and the brutal murder of the three boys in October 1955.

The bodies of the boys—Robert Peterson, 14, John Schuessler, 13, and his brother Anton, 11—showed markings which police said may have been inflicted by a pronged tool. Their bodies were tossed into Robinson Woods northwest of Chicago, about 20 miles from the scene of yesterday's discovery.

Police said Krantz was picked up last week after they had received a mysterious telephone call in which a man said that if the Grimes girls were to be found police should search Santa Fe Park. This park is about a mile and a half from where the bodies were found. Krantz was seized at his home yesterday and again he steadfastly denied any connection with the slayings.

DOCTOR ACCUSED; FORCES ADDICTION

EASTBOURNE, England (AP)—A London doctor Tuesday accused Dr. John Bodkin Adams of turning a rich widow into a dope addict.

Testifying for the prosecution at a preliminary hearing, Dr. Michael Ashley examined a list of narcotics which Dr. Adams prescribed for Mrs. Edith Morrell and said:

"I'm unable to think of any possible alternative to the conclusion that such medication of either morphine or heroin—or more certainly still when both are taken together—would produce a serious degree of addiction to both these drugs."

Dr. Adams, 57-year-old bachelor is charged with drugging 81-year-old Mrs. Morrell to death in 1950. The prosecution also alleged that he killed two other patients to reap profit from their wills.

Metesky, dressed neatly in a pin-striped blue suit, appeared calm at the arraignment proceedings in Felony Court.

In Bellevue

His court-appointed lawyer, Benjamin Schmier, asked for an immediate commitment to Bellevue Hospital, Asst. Dist. Atty. Karl Grebow consented.

The clue to the Bomber's identity was in the files of the Consolidated Edison Co., the city's huge gas-electric light utility.

Metesky said that while working at the utility's Hell Gate plant in New York City Sept. 5, 1931, he choked from strong gas fumes that later left him tubercular. He said he tried to get adequate compensation but never did.

His inquiries about compensation led to his downfall, along with his series of letters written to the New York Journal-American in answer to the newspaper's plea that he air his complaint publicly and surrender.

which Egyptian guns kept Israeli shipping out of the gulf.

Must Take Steps

Israel's plan for administering Gaza was first broached to the Assembly by Foreign Minister Golda Meir. She said her government felt steps must be taken to prevent revival of Egyptian commando raids from Gaza and that she doubted UNEF alone could ensure such protection.

A British spokesman came out for the posting of U.N. forces between Israel and Egypt until some permanent arrangement is made to prevent further border hostilities. He said the British felt Hammarskjöld is the determining authority for the functioning of the U.N. force and that neither Israel nor Egypt should be able to dictate how long UNEF should remain.

Diplomats interpreted this to mean Britain feels the secretary general has authority to send U.N. forces to both Gaza and Sharm el Sheikh if Israel pulls out.

Egypt Opposed

Egypt was reported strongly opposed to the idea of UNEF camping on her soil or in Gaza after the Israelis leave.

The Soviet bloc has bitterly opposed any suggestion of keeping UNEF men in Gaza or Sharm el Sheikh, contending such a move would mean virtual unlimited occupation by the international force.

If Israel has not withdrawn from Gaza and the Aqaba coast by Friday, the Asian-African nations planned to introduce a resolution calling on U.N. members to withhold military and financial aid from the Israelis.

Doria—Stockholm Claims Are Settled

LONDON (AP) — The Italian line, the Swedish-American line and insurance firms involved in litigation arising from sinking of the Andrea Doria have agreed upon an out-of-court settlement, the Institute of London Underwriters announced Tuesday.

Talks had been under way in London for some time. The major part of the insurance on both the Andrea Doria and the Stockholm which collided last July 25 was covered here.

The case is before federal court in New York. More than 2,000 suits totaling more than 160 million dollars are pending.

The Italian liner Andrea Doria sank off Nantucket after colliding with the Swedish liner Stockholm. Fifty lives were lost.

Bellefield H. S. Fire Loss Is \$125,000

PITTSBURGH (AP) — When the fire alarm sounded late yesterday at the Bellefield Girls Vocational High School, some of the nearly 60 pupils thought it was a routine fire drill.

But a fast-spreading blaze roared out of control so quickly that flames were licking across the roof of the three-story, 88-year-old structure by the time the last pupil was out safely.

No one was hurt in the fire which a fire chief attributed to defective wiring.

Mayor David Lawrence commended school officials for averting a possible disaster. The loss was estimated at \$125,000.

West Chester Tops League Standings

JOHNSTOWN, Pa. (AP) — Although both West Chester and

Indiana are unbeaten in three Pennsylvania State Teachers College Basketball Conference games, West Chester tops the league standings.

Points are awarded on caliber of opponents in addition to wins-loss records. West Chester has 250 points to 233 for Indiana.

enough for 208 points and third place. Shippensburg, 2-2, has 162 points for fourth place followed by Bloomsburg with a 4-2 record and 150 points.
